Victor Deupi, Ph.D.

Join curator and University of Miami professor Dr. Victor Deupi for an in-depth exploration of the photography of Annette and Rudi Rada. This renowned husband-and-wife duo captured striking images of South Florida and the Caribbean, offering a vivid lens into the region's transformation during the latter half of the 20th century. Presented in conjunction with the exhibition *Annette and Rudi Rada: Photographing Mid-Century South Florida and the Caribbean*, this lecture offers fresh insights into their enduring legacy.
