**SENSORY  
INCLUSIVE**

**Sunday, October 23 & December 18 at 10 a.m. – 12 p.m.**

Join us for a morning at the museum during our new Sensory Sundays! HistoryMiami Museum is committed to providing inclusive experiences for all visitors and we are excited to welcome you at the museum for this special program series. Designed for families of children, teenagers, and young adults with disabilities who are neurodiverse, on the autism spectrum, or have sensory processing disorders or cognitive disabilities, Sensory Sundays provide a sensory inclusive experience during your visit to the Museum. Enjoy story time, building block activities, and a touch tour of our permanent exhibition, *Tropical Dreams: A People's History of South Florida*, or explore the museum's exhibitions at your own pace.
